The original and only continuous breed society for the Australian Waler horse

Established 1988

*The horse classes to be supported by a current dated photograph showing the horse's nearside (handlers not shown), properly positioned to show conformation and feet, preferably on short grass or a flat surface. (as per diagrams below), with clear view of the horse from the side, including pasterns and hooves.

How to Take a Great Horse Conformation Photo

<p>Pony type Waler (Scout horse)</p> 	<p>Light Waler (Officers horse)</p> 
<p>Medium Waler (Troopers horse)</p> 	<p>Heavy Waler (Artillery horse)</p> 

*The horse ridden classes to be supported by a **videoed standard figure of eight** workout showing walk, trot and canter, halt and backup. It can be emailed, Dropboxed or Google Drive shared to mail@walerhorse.com
